SILVERMANACAMPORA LLP

We are pleased that the interests of justice have been partially served today and encouraged

by Mr. Cosmo's plea and admissions of wrongdoing. We are hopeful that Mr. Cosmo will

now cooperate with the government and the Trustee's continued efforts to discover assets

that can be liquidated for the benefit of Agape Investors and in our vigorous pursuit of claims

against those who have benefitted from the fraud.

Kenneth P. Silverman, Esq.

Chapter 7 Trustee of Agape World, Inc., et al.
